

Christian Louboutin's Foot Measurer

Helping you choose your size:

1. Stand up and align your heel with the red line.

2. Ensuring your foot is flat, mark where your toes end.

3. If the mark lands between two sizes, you can refer to the fit suggestions on each product's page.

0 1 cm 2 cm 3 cm 4 cm 5 cm

To check whether the foot measurer has been printed at 100%, grab a ruler and measure the scale above. It must be 5 cm.
